

YOUNG PROFESSIONALS ASIA

Young Professionals Asia equips you adults to develop essential skills that empower them to excel and achieve their career aspirations. Graduates have gone on to work at Fortune 100 companies like Amazon, KPMG, and Morgan Stanley. This integrated 3-day professional development program has six program objectives!

Emergenetics®

Understand your thinking preference and communication styles

Think On Your Feet®

Learn to analyze, organize, and deliver a message that is clear, concise, and memorable

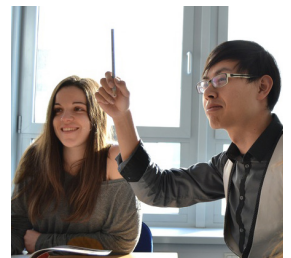

Creative Problem Solving

Discover how to search for original and previously unknown solutions to problems

Leading a High Performance Team™

Develop your ability and communication to effectively lead a high performance team

Professional Presentation Skills™

Enhance your presentation skills and increase your confidence in public speaking

Storytelling for Leaders®

Establish a habit of using your day-to-day experiences to make and reinforce business points

Dates: July 28-30 or August 4-6
